

# Introducing **Gatsby Gamble**

It's the **roaring 20s, high energy, gambling and auction** experience you've seen in the movies.

## THE GATSBY GAMBLE

# Gatsby's 1920s casino

## Glamour, fun & mystery await you

Strap yourself in ladies and gentlemen, you're about to gamble and glitz your way to glory in a whirlwind night of mystery, bribery and hidden puzzles. The Gatsby Gamble thrusts you into the pulsing heart of this glamorous bygone era.

With charismatic characters, games aplenty and action happening everywhere, this is a highly engaging experience. Your team will have a ball exploring all that the Gatsby Gamble has on offer. Designed for your guests to choose their level of participation to ensure they all get their desired engagement.

As the night unfolds and the mystery unravels, only one group will leave as winners of the biggest auction. Your guests will need to earn as much Gatsby coin as they can, unravel the art work clues to find the authentic offering then bid to win it at the auction of the year. The Gatsby Gamble will draw even the most sceptical into the fun and excess of the 1920s.

## What others are saying

Thank you for an amazing EOFY party. The Gatsby Gamble event organised for Walker Hill & Space Digital at Cloudland was a great night and everyone had a blast! Special thanks to the guys working on the night as they were heaps of fun. They definitely conjured a great atmosphere for us!

Fantastic! It was different, exciting and challenging at some points. It was an all round fun night and I'd recommend it for any age group. Its all a bit of fun, its good team bonding but you get to meet other people quiet easily so it's a good bonding session with people you do know or networking with strangers.
